

VITA

Russell E. Glasgow, Ph.D.

GENERAL INFORMATION

Date and Place of Birth: May 21, 1950; Washington, Iowa

Marital Status: Married, two children

Work Address: Russell E. Glasgow, Ph.D.
Deputy Director for Dissemination and Implementation Science
Division of Cancer Control and Population Sciences
National Cancer Institute
6130 Executive Blvd. Room 6144
Rockville, MD 20852
Phone: 301-435-4912
Fax: 301-594-6787

EDUCATION

Undergraduate: University of Iowa, Iowa City - B.S. in Psychology, 1972

Graduate: University of Oregon, Eugene - M.S. in Clinical Psychology, 1974; Ph.D. in Clinical Psychology, 1977

Post-Graduate: Completion of summer course in Cardiovascular Epidemiology, American Heart Association, 1989

PROFESSIONAL EXPERIENCE

2010 – present	Deputy Director for Dissemination and Implementation Science Division of Cancer Control and Population Sciences, National Cancer Institute
2008 – 2010	Member and Director, Dissemination Core, NCI-funded Cancer Research Network (CRN) Center of Excellence in Cancer Communication Research (http://www.crn-ccrc.org)
2007 – 2010	Co-Director, Center for Health Dissemination and Implementation Research (www.research-practice.org), Institute for Health Research, Kaiser Permanente Colorado
2006 – 2010	Member, University of Colorado Comprehensive Cancer Center
2003 – 2010	Co-chair, Outcomes workgroup, NIH-funded Multisite Health Maintenance Consortium

2002 – 2010	Senior Scientist – Institute for Health Research, Kaiser Permanente Colorado
1999-2002	Behavioral Science Chair for Robert Wood Johnson Foundation sponsored Break Through Series on Improving Care for People with Chronic Conditions (Ed Wagner, Director)
1998-2002	Senior Scientist - AMC Cancer Research Center
1984-1998	Research Scientist - Oregon Research Institute. Science Co-Director (2 years)
June 1998	Courtesy appointment as Associate Professor, Department of Psychology, University of Oregon.
1990-1995:	Member, Executive Committee, and Chair, Publications and Presentations Committee, COMMIT, collaborative multisite trial for Smoking Cessation.
1986-1988:	Member, Publications and Presentations Committee; Member, Worksites and Organizations Working Group, COMMIT.
1982-1984:	Associate Professor - Department of Psychology, North Dakota State University.
1979-1984:	Director-Behavior Therapy Masters Program. North Dakota State University.
1978-1982:	Assistant Professor - Department of Psychology, North Dakota State University.
1977-1978:	Assistant Professor - Department of Social and Preventive Medicine, University of Maryland School of Medicine. Work on Multiple Risk Factor Intervention Trial for prevention of coronary heart disease.
1976-1977:	Psychology Intern - Wood Veterans Administration Center, Milwaukee, Wisconsin.
1974-1976:	Research Assistant - Child Study Center, Department of Psychology, University of Oregon.

SERVICE ACTIVITIES (Chronological Order)

- Member, National Board of Directors, Provider Recognition (Guidelines) Committee and Research Policy Committee, American Diabetes Association, 1996-2000
- Member, Technical Advisory Committee, Centers for Disease Prevention and Control, Division of Diabetes Translation, 1997-2001
- Member, State of Oregon Diabetes Guidelines Committee, 1996-1998
- Honorary Member, Grupo de Estudio de Diabetes (Mexican national diabetes research group)
- Behavioral Science Chair: Robert Wood Johnson Foundation sponsored Break Through Series on Improving Care for People with Chronic Conditions, 1999-2002
- Member, Expert Advisory Board/Technical Review Committees (various years 1996-2010):
- AHRQ Evidence-Based Medicine Review Reports on 1) Self-care and 2) Dietary change
 - U.S. Preventive Services Task Force revision of Clinical Practice Guidelines for Behavioral Counseling
 - CDC Community Practice Guidelines – Diabetes; health care workgroup on obesity

- Robert Wood Johnson National Foundation, National Advisory Committees for Improving Chronic Illness Care; Diabetes Self-Management; Prescription for Health; and Finding Answers Diversity Programs

Chair, Research to Practice Track for Society of Behavioral Medicine Annual Meeting, 2002
 Member, Society of Behavioral Medicine Health Policy Committee, 2004-2010 and Evidence-Based Behavioral Medicine Committee, 2003-2010. NCI Liaison 2010-present.
 Member, Cancer Research Network (CRN) Publications Committee, 2008-2010.
 Member, Kaiser-Permanente Colorado Multi-Media Advisory Committee, 2009-2010.
 Member, Expert Panel, Improving Patient Chronic Disease Self-management, CDC, 2010.

AREAS OF SPECIAL INTEREST

Integration of Research and Practice: Use of conceptual models to identify key factors, review literature, design, and evaluate interventions. See www.research-practice.org.

Self-Management: Particularly the development and evaluation of self-help and brief, low-intensity treatment and interactive health technology approaches; primary care, worksite and community applications. Policy issues related to inclusion of patient-centered self-management criteria in guidelines and performance criteria.

Research Methodology: Particularly behavioral and patient-centered assessment, evaluation of programs intended for translation/treatment outcome issues, assessment of representativeness and generalization. Use of RE-AIM framework for planning, analyzing, and reporting results of practical trials. See www.re-aim.org.

Coping with Chronic Illness: Especially adherence to medical regimens such as cancer, diabetes and behavioral issues of disease management among the elderly and those with multiple conditions (e.g., quality of life, patient models of illness, distress and depression, barriers to adherence, health literacy and numeracy, patient-centered care).

AWARDS AND HONORS

2009	Recipient, University of Texas School of Public Health McGovern Award
2006	Recipient, American Diabetes Association, Behavioral Medicine and Psychology Council Lectureship for Distinguished Contributions
2000	Recipient, Society of Behavioral Medicine. Distinguished Scientist Award
1995:	Recipient, Lifescan Award for contributions for applied research on behavior change in diabetes and to improvements in the health and welfare of people with diabetes.
1972:	National Science Foundation Undergraduate Research Participation Program, University of Iowa, Iowa City.
1972:	Bachelor of Science with High Distinction, University of Iowa, Iowa City.
1972-1976:	United States Public Health Service Traineeship, Psychology Clinic, University of Oregon, Eugene, Oregon.

RESEARCH SUPPORT (Chronological Order)

Self-help manuals for smoking cessation. NIDA grant #R03 02457. September, 1979-August, 1980; \$5,000 direct costs.

Personalized risk in the prevention of adolescent smoking. NICHD grant #R0113335, July, 1979-June, 1982; \$87,633 direct costs (Co-principal investigator with Kevin D. McCaul).

Adherence to diabetic regimens: Social learning approach. NIAMD Grant #R01AM/MH 28318, September, 1981-August, 1984; \$246,542 total direct costs (K. D. McCaul is Co-PI)

Promoting adherence to a dental regimen. NIDR Grant #RO1 06656. September, 1983-August, 1986; \$166,856 direct costs (Co-PI with K. D. McCaul, PI).

Evaluation of a worksite smoking control program. NHLBI Grant #RO1 30615. August, 1983-July, 1986; \$262,000 direct costs (R. C. Klesges is Co-PI).

Adherence to NIDDM regimens. NIADDK Grant #RO1 35524. September, 1984-August, 1987; \$319,446 total direct costs.

Community Clinical Trial for Heavy Smokers (Intervention Centers). NCI Contract Number NO1-CN-64094. September, 1986-March, 1995; \$2,007,093 direct costs (Co-PI with E. Lichtenstein, PI).

Tobacco reduction in an HMO: A model for cancer control. NCI Program Project. May, 1987-April, 1992; \$1,614,534 direct costs. (Co-PI with Thomas Vogt, PI). PI on grant "A collaborative HMO and workplace approach to smoking cessation".

Increasing regimen adherence among the elderly. NIDDK Grant #DK35524-04A1. April, 1988-March 1991; \$163,525 direct costs (R. E. Glasgow, PI).

Tobacco Policy Interventions in Northwest Indian Tribes. National Cancer Institute, Direct costs: \$254,474. Ed Lichtenstein, Principal Investigator. Project Period: 5/1/90-4/30/95.

Older Persons Personal Models of Chronic Disease. National Institute of Aging, Direct costs: \$128,233. Sarah Hampson, Principal Investigator. Project Period: 8/1/90-7/31/93.

Worksite Issues in Organizational Health Promotion. National Heart, Lung, and Blood Institute, Direct costs: \$312,720. Russell E. Glasgow, Principal Investigator. Project Period: 1/1/91-12/31/95.

Medical Office Intervention to Improve Diabetes Self-Care. NIDDK Grant #DK35524-07A1. February 1992-January 1996; \$182,759 annual direct costs (R. E. Glasgow, PI).

Multiple Levels of Support for Chronic Disease Management. Robert Wood Johnson Foundation, ID #030103. October 1, 1997-September 30, 1998; \$102,147 annual direct costs (R.E. Glasgow, PI).

Planned Parenthood Smoking Intervention for Lung Health. To evaluate the effectiveness of a brief smoking cessation intervention among women aged 15-30 attending contraceptive visits at a Planned Parenthood clinic. NIH/NHLBI, Grant #7-RO1-HL52538; 05/01/95 - 04/30/99; \$281,909 total direct costs. (R. E. Glasgow, PI)

Patient Focused Cancer Control in an HMO Population (Subcontract with Kaiser Permanente) To improve the organization and delivery of cancer control services in managed care. NIH/NC, Grant #5 PO1 CA72085; 08/22/96 - 05/31/01; \$111,546 total direct costs. (R. E. Glasgow, Co-PI).

Computer Mediated Support for Diabetes Self-Management. To provide home-based diabetes self-management counseling and support for adult patients with non-insulin-dependent diabetes, using a computer network system. NIH/NIDDK Grant #5-RO1-DK51581; 04/15/97 - 03/31/01; \$266,601 total direct costs. (R.E. Glasgow, PI)

Brief Interventions for Diabetes Dietary Self-Management. To test and evaluate the importance of follow-up telephone calls and the effectiveness of maximizing social and community resources as part of a brief dietary intervention for outpatients with Type II diabetes. NIH/NIDDK Grant #2-RO1-DK35524; 07/12/96 - 06/30/00; \$262,014 total direct costs. (R.E. Glasgow, PI)

Evaluating and Enhancing the Reach and Dissemination of Health Promotion Interventions: The Behavior Change Consortium (BCC). Robert Wood Johnson Foundation, Grant #039756, November 1, 2000 - October 31, 2002; \$139,945 direct costs (R.E. Glasgow, PI).

The Social Context of Adolescent Physical Activity. Longitudinal study to identify personal, family, and neighborhood determinants of physical activity. NIH/NICHD Grant #1-RO1-HDO-35873-01; 12/1/98 – 11/30/03; \$125,106 total direct costs. (R.E. Glasgow, PI)

Using Radon Risk to Motivate Smoking Reduction, NIH, Grant # 5 RO1 CA68186-04. August 1, 1999, to July 30, 2003; \$25,745 annual direct costs (R.E. Glasgow, Co-Investigator).

A Patient Activation Approach to Improving Diabetes Care. Combines behavioral and informational technology approaches to help patients and providers adhere to diabetes care guidelines. NIH/AHCQR Grant #1-R18-HS101123-01; 4/1/00-3/31/04; \$3,256,390 total direct costs.

Linking Self-Management and Primary Care for Diabetes. Addresses the need for research on behavioral interventions that are capable of being translated into practice for lifestyle self-management of diabetes and other chronic illnesses. NIH/AHRQ 2 RO1 DK35524-15; 01/01/01 – 12/30/05; \$3,063,601 total direct costs.

RE-AIM Evaluation of Tailored Smoking Harm Reduction (CA 90974-01) Applies the RE-AIM evaluation model to investigate an innovative intervention for reaching and involving smokers about to have out-patient surgery or an invasive endoscopic medical procedure. NIH/NCI, 03/01/03 to 02/28/08 \$2,121,687 total direct costs.

Enhancing Support for Women at Risk for Coronary Heart Disease. NIH/NHLBI. Evaluates different approaches, including group support and CD-ROM, to enhance change in and maintenance of multiple lifestyle behavior changes. 9/30/03 – 8/31/09. \$127,386 Annual. Deborah Toobert (PI).

Helping Women Adopt a Cancer Prevention Diet. RCT of in-person vs. completely computerized administered dietary change intervention program. 4/1/03 – 1/31/09. \$61,245 Annual. Stevens, V. (PI)

Prevention and Control of Diabetes in Families (R 18 DK062319-01 A2) NIDDK; (Subcontract) Develop, evaluate, and disseminate effective programs for the prevention and self-management of type 2 diabetes. Reynolds, K. (PI) 09/01/04 – 08/31/09. \$303,306 total direct costs. .

Individual and Environmental Mechanisms of Physical Activity Behavior Change. NIH/NIDDK. The focus of this study is to determine the mechanisms that underlie PA behavior change. To determine causality, it is necessary to complete strategies that lead to behavior change while assessing changes in proposed. 08/01/04 – 07/31/09. \$563,805 Annual. Paul A. Estabrooks (PI).

Multiple Interactive Technologies to Enhance Care (MI-TEC). Robert Wood Johnson Foundation. Subcontract. 07/01/05 – 06/30/07. \$30,312 Annual. Perry Dickinson (PI).

CHD Lifestyle Modification for Latinas with Diabetes (Viva Bien). (HL076151-01) NIDDK-NHLBI. The primary goal of this project is to extend a promising lifestyle change program to an underserved population at high risk for CHD—Hispanic Americans. 09/01/05 – 08/31/10. \$4,612,030 total direct costs. \$4,961,766 indirect costs. Deborah J. Toobert, Ph.D. (PI)

NOTE: As of 8/28/20 transferred responsibilities and all fte on grants below to other investigators.

Linking Self-Management and Primary Care for Diabetes (Linkbase-2) NIDDK. Addresses the need for research on behavioral interventions that are capable of being translated into practice for lifestyle self-management of diabetes and other chronic illnesses. A continuation of the original Linkbase project. 1/1/07 to 12/31/11. \$499,789 (Direct Costs – First Year); \$728,288 (Total costs – First Year); \$2,485,365 (Total Direct costs); \$3,706,455 (Total Costs). Russ Glasgow (PI).

Depression, Self-Management, and Ethnicity in Diabetes. Provide a more complete description of the natural course of the full range of major and minor depression and self-management over time; identify sub-group variations that may warrant specific interventions; will identify at what point along the continuum of depressive affect linkages with disease self-management and metabolic control become evident; highlight differences in relationships based on patient ethnicity. 07/01/03 – 06/30/11. \$40,672 Annual. Lawrence Fisher (PI).

Integrated technologies for weight and blood pressure control in urban clinics. NHLBI. To address the important role of health care system and social context in the management of weight loss among low-income patients with cardiovascular disease. Subcontract from Washington University. 2/1/07 – 1/31/11. \$127,704 Annual Yr 1. Colditz, G. (PI)

Cancer Research Network (CRN) Clinical Communication Research Center. The major goal of this project is to identify and test optimal communication and coordination processes that facilitate patient-centered cancer care in clinical settings. This will be accomplished by leveraging the existing CRN infrastructure and supporting 3 investigator-initiated research projects as well as the development of pilot projects. NIH/NCI; 1 P20 CA137219; 9/30/2008 – 8/31/2013. \$1,335,973 Annual. Dearing JW (PI).

HealthPartners Research Foundation. Evaluation of a natural experiment to improve statewide depression care in Minnesota Interrupted time series design to evaluate implementation of innovative statewide depression care improvement program. NIH; 7/1/07 – 6/30/12; R01 MH080692; Solberg, L. (PI)

Center for Health Research. Focusing Implementation to Bring Effective Reminders: FIBER. Population-based intervention to enhance colorectal cancer screening. NCI; 1 R01 CA132709; 5/1/08-4/30/12; Feldstein, A. (PI).

REVIEWING

Editorial Board, American Journal of Preventive Medicine, 2001-present; Annals of Behavioral Medicine, 2004-present; Implementation Science, 2010-present; Current Diabetes Reports, 2001-2005; Diabetes Care,

1995-1997; Health Psychology, 1994, 2001; Journal of Consulting and Clinical Psychology, 1983-1984, Patient Education and Counseling, 2002-2003; Behavior Therapy, 1983-1985.

Associate Editor for issue of Health Psychology on Clinical Health Psychology, 1988. Guest Editor, Special Section of Annals of Behavioral Medicine on Tailored Interventions, 1999; Guest co-editor of special section of American Journal of Preventive Medicine on Prescription for Health, 2009.

Frequent reviewer for Diabetes Care, Preventive Medicine, American Journal of Public Health, Annals of Family Medicine, Ad Hoc Reviewer, Behavior Research and Therapy, Health Psychology, Journal of Health Communication.

Guest reviewer for Journal of General Internal Medicine, Psychological Bulletin, Journal of Behavioral Medicine, Cognitive Therapy and Research, Journal of Applied Behavior Analysis, Milbank Quarterly, Addictive Behaviors, Psychosomatic Medicine, Health Affairs.

Reviewer for NIH study sections; NIDDK Translation and Dissemination Research, R18 Grants (Chair—January 2010); several Robert Wood Johnson initiatives; British Diabetes Association.

Reviewer (2007-2010), Finding Answers: RWJF Health Disparities Program.

Member of ORI Institutional Review Board for Research involving Human Subjects, 1989-90.

Member of NDSU Institutional Biomedical Research Support Grant Committee, 1982-1984.

Frequent reviewer of abstracts for presentation at American Diabetes Association, Association for Advancement of Behavior Therapy, Society of Behavioral Medicine, and Health Psychology Section of American Psychological Association.

TEACHING

Teaching Interests

Undergraduate Courses

Health Psychology
Abnormal Psychology
Behavior Modification
Introduction to Clinical Psychology
Applied Research Methods

Graduate Courses and Practica

Addictive Behaviors and Their Modification
Behavioral Medicine
Behavioral Assessment
Public Health and Psychology

Teaching Experience

- 1985-Present: Guest lectures, seminar presentations for cancer prevention and control, and periodic supervision of graduate students in departments of Health Education and Psychology, University of Oregon and University of Colorado Health Sciences, research, public health and community groups.
- 1978-1984: Graduate and undergraduate courses at North Dakota State University. Offerings include Introduction to Behavior Modification, Abnormal Psychology, Personality, Behavioral Assessment, Applied Research Methods, Behavioral Medicine, Practicum, Introduction to Clinical Psychology, Advanced Psychopathology, Advanced Behavior Therapy.
- 1977-1978: Teaching in preventive medicine courses for senior medical students and in social and behavioral science course for freshmen, University of Maryland School of Medicine.
- 1976: Taught neuropsychology portion of graduate psychology course in cognitive assessment, University of Oregon.
- 1974-1975: Co-instructor, individualized instruction course on behavioral self-control for undergraduates, University of Oregon.

Mentoring – Recent mentees (and contact information)

<u>Mentee</u>	<u>Areas of Specialization/Interest</u>	<u>e-mail</u>
Diane King, Ph.D.	Aging, CBPR, social and built environment, physical activity	diane.king@kp.org
Bridget Gaglio (ABD)	Health literacy, numeracy; cancer and CVD prevention; patient-provider interactions; health disparities	bridget.gaglio@kp.org
Sheana Bull, Ph.D.	HIV/AIDS, interactive technology, health disparities, program reach and social justice	sheana.bull@uchsc.edu

Administrative and Committee Work

2010	Advisory Board – KT Canada Research Translation International Scientific Board – Reporting Standards for Tailored Interventions – University of Kentucky, Nancy Harrington, Seth Noar.
2009 – 2010	Chair, NHLBI-funded POWER collaborative multisite trial workgroup on translation and dissemination.
2008 – 2010	Member, Kaiser Colorado Multimedia Development and Evaluation Committee
2008 – 2010	CRN Cancer Communication Research Center of Excellence committees: <ul style="list-style-type: none"> • Chair, CRN Dissemination Core • Chair, CRN Developmental Grants Program • Member, cross-CECCR Data Harmonization Workgroup • Member, cross-CECCR Dissemination Workgroup
2007 – 2010	Co-Director of the Center for Health Dissemination and Implementation Research (CHDIR), Institute for Health Research, Kaiser Permanente Colorado
2004-2008	Co-chair, Director Search Committee and several strategic planning work groups, Institute for Health Research, Kaiser Permanente Colorado
2000-2001:	Co-Chair, Vision Committee, Member Promotion and Tenure Committee, Member President's Executive Board, AMC Cancer Research Center
1995-1996:	Science Co-Coordinator, Oregon Research Institute.
1990-1995:	Member, Board of Directors, Oregon Research Institute
Spring, 1991:	Member, Planning Group for International Diabetes Foundation Satellite Conference on Behavioral Issues in Diabetes, Williamsburg, Virginia.
1990-Present:	Member, Human Resources and Development Committee, Oregon Research Institute.
1990-1991:	Member, American Psychological Association Task Force on Self-Help Psychotherapies, 1990-1991.
1989-1990:	Member, Institutional Review Board for Human Subjects, Oregon Research Institute.
1986-1988:	Chair, Research Scientist Council and Organizational Norms Committee, Oregon Research Institute.
1985-1988:	Member, Board of Directors, Oregon Research Institute.
1979-1984:	Director, Behavior Therapy masters program, North Dakota State University. Coordinator of student practicum placement and graduate student recruiting.
1982-1984:	Member of University Faculty Senate and Advisory Committee for Coordinated Undergraduate Program in Dietetics.

- 1982-1984: Member of Health Promotion Council and Task Force on Smoking, Fargo-Moorhead Heart Health Program.
- 1981-1983: Chairperson, Departmental Search Committee for job applicants.
- 1981-1983: Secretary/Treasurer (1982) and President (1983), Red River Association for Behavior Therapy.
- 1978-1983: Department representative on College Recruiting Committee.

CLINICAL EXPERIENCE

Ongoing: Supervisor of health behavior change interventions related to chronic illness self-management, weight loss, smoking cessation, medication adherence, physical activity, and other disease management/health promotion survey and applied research programs.

1998-2004: Behavioral Science Chair for Breakthrough Series on Chronic Illness Management funded by Robert Wood Johnson Foundation

1985-1998 Oregon Research Institute

Development of programs and supervision of research assistants, graduate students, and other staff involved in implementation of assessment and intervention programs for:

- Adherence to diabetes, arthritis, and chronic illness self-care regimens
- Community-based, HMO, and clinic-based health promotion programs
- Worksite health promotion

1978-1984: Psychology Department, North Dakota State University

Clients involved in programs for modification of health-related behaviors and control of nervous habits.

Clinical supervision of graduate students in behavior therapy program.

Consulting faculty member for SHAPE Wellness Program, Fargo

Clinic/St. Lukes Hospitals - stress management and mental well being areas.

Licensed psychologist in state of North Dakota. Small number of clients with anxiety, depression, and related problems.

1977-1978: Department of Social and Preventive Medicine, University of Maryland School of Medicine

Design and implementation of group programs for smoking and weight reduction.

Supervision and consultation with behavioral interventionists for MRFIT heart disease prevention program.

Individual counseling participants whose personal problems interfered with their progress in the MRFIT program.

1976-1977: Wood Veterans Administration Center, Milwaukee, Wisconsin

Psychology Intern.

Individual therapy with outpatient psychiatric clients and seminars in areas of assessment, neuropsychology, and pain control. Rotations in the following areas:

Inpatient Psychiatric Unit
 Spinal Cord Injury Unit
 Drug Treatment Unit
 Group leader for social skills training program for psychiatric patients.

1975: Psychiatric Unit, Sacred Heart Hospital, Eugene, Oregon
 Participant-observation of evaluation and treatment activities in an acute inpatient setting.

Development and implementation of goal attainment materials. Supervisor, Dr. David Campbell.

1972-1976: Psychology Clinic, University of Oregon.

Clinical Trainee: Participation in clinical pro-seminar, general clinic practicum, and advanced practica listed below:

Anxiety Practicum--Supervisor, Dr. Gerald Rosen
 Depression Practicum--Supervisor, Dr. Peter Lewinsohn.
 Self-Control Practicum--Supervisor, Dr. Kenneth Morganstern.
 Neuropsychology Practicum--Supervisor, Dr. Peter Lewinsohn.
 Child and Family Practicum--Supervisor, Dr. Stephen Johnson.
