Contents

Chapter 1. The Historical Context	1
Needed: A New Approach	
The Context for Creating ASSIST	
Approval Is Sought	
Readiness to Go Forward	
References	
Additional Resource	17
Chapter 2. The Conceptual Framework	19
The Fundamental Premises of ASSIST: Preventing Tobacco Use through the Public Health Model .	
The ASSIST Conceptual Framework: Priority Populations, Channels, and Interventions	
ASSIST Program Objectives and Evaluation	
The Selection of States	
Time to Act	38
References	38
Chapter 3. Structure and Communications	41
Linking the Units of a Complex Structure	
The Major Organizational Units	
Mechanisms for Coordination, Decision Making, and Communication	53
Readiness to Build Capacity and Capabilities	
References	76
Chapter 4. Building National, State, and Local Capacity and Capability	77
Creating the Capacity to Act	
Building the Capability to Act	
Willing and Ready	99
References	. 118
Chapter 5. Media Interventions to Promote Tobacco Control Policies	119
The Power of the Media	
Preparing for Media Interventions	
Media Strategies and Tactics	
Monitoring Newspaper Coverage	
From Media to Policy Change	
References	. 164

Chapter 6. Public and Private Policy Interventions	167
Policy as an Intervention	169
Interventions in Four Policy Areas	170
Challenges to Public Policy Interventions	183
Insights from Policy Advocacy Experiences	187
The Influence of Policy	218
References	278
Additional Resources	282
Chapter 7. Program Services: Reaching the Individual	283
The Challenge of Services Delivery: Setting Priorities	
The Role of ASSIST in Service Provision	
Interaction between Policy and Program Services	
Strength in Comprehensiveness	
References	
Additional Resources	307
Chapter 8. Tobacco Industry Challenge to ASSIST	309
Part 1. The Tobacco Industry's Response to ASSIST: An Analysis of Tobacco Industry	
Internal Documents	
Methods for Researching the Tobacco Industry Documents	
Results of the Research	
Discussion	349
Part 2. ASSIST's Response to the Tobacco Companies: Facing the Opposition	350
Understanding the Obligation to Respond to FOIA Requests	350
Understanding the Regulations on Lobbying	352
Case Studies	354
Onward after the Opposition	354
References	372
Additional Resources	383
Chapter 9. Planning Strategically for the Future	385
At the Turning Point	
The States Work to Sustain Their Programs	
Developing Strategic Plans for a Sustained National Program	391
Taking Action to Get Commitment	
Affirming the Commitment	
Turning to Transition	
References	441
Additional Resource	442

Chapter 10. From Demonstration Project to Nationwide Program	443
The Challenge of Dissemination	
Transition from Agency to Agency: Administrative Issues	449
Integrating and Maintaining Core Program Elements	
The National Environment for Tobacco Control: A Consideration	460
Toward the Future	469
References	474
Chapter 11. The Promise of ASSIST	
Beyond ASSIST	
A Visible Promise: An Evolving Infrastructure	
The Promise of ASSIST: Shaping the Future	
Influencing Public Health Initiatives	
Advancing Evaluation Methodology	
Future Interventions and Research Initiatives	
Onward from ASSIST	
References	508
Index	513
